

AspenTech to hold OPTIMIZE™ 2013 Global Conference May 6-8, 2013 in Boston

September 10, 2012

AspenTech Customer Community to Gather for World's Premier Event Focused on Process Optimization

BURLINGTON, Mass.--(BUSINESS WIRE)--Sep. 10, 2012-- [Aspen Technology, Inc.](#) (NASDAQ: AZPN), a leading provider of software and services to the process industries, announced that the [OPTIMIZE 2013](#) global conference will be held from May 6-8, 2013 in Boston. OPTIMIZE is the only global conference focused exclusively on process optimization.

AspenTech's global customer community includes over 100,000 process industry professionals. At OPTIMIZE 2013, AspenTech customers from over 45 countries will discuss how aspenONE optimization software helps deliver superior financial and operating results for process manufacturers. Technology and business topics to be covered include Process Engineering, Advanced Process Control, Manufacturing Execution Systems, Petroleum Supply Chain, and Supply Chain Management.

For the latest event information, including early bird registration codes, keynote speaker highlights, track session updates and call for papers, join the [OPTIMIZE 2013 LinkedIn group](#) or visit the [OPTIMIZE 2013 section of aspentech.com](#).

Supporting Quotes

Blair Wheeler, Senior Vice President, Marketing, AspenTech

"OPTIMIZE is the must-attend event for the process industries. It is the premier gathering of global personalities with similar challenges, sharing compelling business and technical insights. Every day, AspenTech's vibrant customer community uses aspenONE optimization software to transform challenges into opportunities. Attendees will also leave the conference well informed about "what's next" -- in process industry trends as well as in software innovations that need to be on their radar screen.
