The new facility is located at 100 Innovative Way in the Nashua Technology Park. The new office will also provide business continuity capabilities for AspenTech's corporate headquarters in Burlington, MA, located just 23 miles from Nashua.

The 75 employees in the new office include dozens of recent chemical engineering and computer science graduates, recruited through [AspenTech's University Hiring Program](#). Fueling the company's expansion, AspenTech has hired graduates this year from Boston College, Boston University, Carnegie Mellon, Cornell, Northeastern, MIT, Tufts, WPI, and the Universities of Delaware, Houston, Massachusetts, Minnesota, New Hampshire, and Washington.

The world's leading process manufacturers use the [aspenONE®](#) software suite to optimize their engineering, manufacturing, and supply chain operations. This results in improved profitability, significant cost savings, and superior operating performance. ### Supporting Quotes

*John Lynch, Governor, State of New Hampshire*

"New Hampshire is routinely recognized as one of the best states in the nation in which to do business because of our educated workforce and low-tax environment. AspenTech is a tremendous company and a leader in the software industry, which is why I am very pleased that Mark Fusco and his team have chosen to expand here in New Hampshire. AspenTech is bringing good, high-paying jobs to our state, which is great news for the local and state economy. Having an industry leader like AspenTech creating the latest cutting edge innovations here in New Hampshire is truly exciting."

*Mark Fusco, President and Chief Executive Officer, AspenTech*

"New Hampshire is a great place for a growing company to expand its footprint. New Hampshire's low tax structure and business-friendly attitude was an important factor in our decision to locate our new R&D facility here. AspenTech is hiring on a number of different fronts, and we're excited to have worked with Gov. Lynch and his team to bring our newest product development facility to New Hampshire."
