

Aspen Technology to Present at the Pacific Crest Future Shifts in Technology Forum

March 7, 2013

BURLINGTON, Mass.--(BUSINESS WIRE)--Mar. 7, 2013-- Aspen Technology, Inc. (NASDAQ: AZPN), a leading provider of software and services to the process industries, today announced its President and Chief Executive Officer, Mark Fusco, will present at Pacific Crest's Future Shifts in Technology forum in Boston.

Aspen Technology's presentation will begin at 1:30 p.m. Eastern Time on Wednesday, March 13, 2013, and a live audio webcast of the presentation will be available for a limited time in the Investor Relations section of the company's website (www.aspentech.com).

About AspenTech

AspenTech is a leading supplier of software that optimizes process manufacturing – for energy, chemicals, pharmaceuticals, engineering and construction, and other industries that manufacture and produce products from a chemical process. With integrated aspenONE solutions, process manufacturers can implement best practices for optimizing their engineering, manufacturing and supply chain operations. As a result, AspenTech customers are better able to increase capacity, improve margins, reduce costs and become more energy efficient. To see how the world's leading process manufacturers rely on AspenTech to achieve their operational excellence goals, visit www.aspentech.com.
