

Aspen Technology to Host Investor Day 2019

June 20, 2019

BEDFORD, Mass.--(BUSINESS WIRE)--Jun. 20, 2019--

Aspen Technology, Inc. (NASDAQ:AZPN), the asset optimization [™] software company, today announced that it will host an Investor Day on Thursday, August 8, 2019 at the Company's headquarters in Bedford, MA.

The Aspen Technology Investor Day presentation will begin at 1:00 p.m. ET and is expected to conclude at 5:00 p.m. ET. Antonio Pietri, president and chief executive officer, will be joined by other Aspen Technology executives.

Management will discuss the Company's vision and strategy for helping customers in capital-intensive industries accelerate digital transformation, elevating their operational excellence and creating new sources of business value. Management will also discuss financial and operational performance, product strategy for Aspen Technology's Engineering, Manufacturing & Supply Chain and APM suites, the addressable market opportunity, and the Company's business and financial outlook.

The presentation will be webcast live. A recording will be available after the event for a limited time on the Investor Relations section of the Aspen Technology website at <http://ir.aspentech.com/events-and-presentations>.

About AspenTech

Aspen Technology (AspenTech) is a leading software supplier for optimizing asset performance. Its products thrive in complex, industrial environments where it is critical to optimize the asset design, operation and maintenance lifecycle. AspenTech uniquely combines decades of process modelling expertise with machine learning. The company's purpose-built software platform automates knowledge work and builds sustainable competitive advantage by delivering high returns over the entire asset lifecycle. As a result, companies in capital-intensive industries can maximize uptime and push the limits of performance, running their assets safer, greener, longer, faster.
