October 3, 2007

New Burlington, Massachusetts Facility Will Improve Company's Ability to Meet Recruitment and Hiring Goals

BURLINGTON, Mass.--(BUSINESS WIRE)--Oct. 3, 2007--Aspen Technology, Inc. (NASDAQ: AZPN), a leading provider of software and services to the process industries, today announced that it is relocating its worldwide corporate headquarters from Cambridge, Massachusetts to Burlington, Massachusetts. The location of the new facility is designed to help the company meet its hiring and recruitment objectives.

"Our business required a newer and larger facility to accommodate our changing company needs," said Mark Fusco, CEO of AspenTech. "This new location and the benefits of a modern facility will assist us in recruiting the most talented employees and building and sustaining an operating structure that keeps pace with the growth and breadth of our business."
