

## **Aspen Technology to Present at the Wells Fargo Securities 2011 Technology, Media & Telecom Conference**

November 2, 2011

BURLINGTON, Mass., Nov 02, 2011 (BUSINESS WIRE) -- Aspen Technology, Inc. (NASDAQ: AZPN), a leading provider of software and services to the process industries, today announced its President and Chief Executive Officer, Mark Fusco, and its Chief Financial Officer, Mark Sullivan, will present at the Wells Fargo Securities 2011 Technology, Media & Telecom Conference in New York City.

Aspen Technology's presentation will begin at 9:40 a.m. Eastern Time on Tuesday, November 9, 2011, and a live audio webcast of the presentation will be available for a limited time in the Investor Relations section of the company's website (<http://www.aspentech.com>).

### **About AspenTech**

AspenTech is a leading supplier of software that optimizes process manufacturing - for energy, chemicals, pharmaceuticals, engineering and construction, and other industries that manufacture and produce products from a chemical process. With integrated aspenONE solutions, process manufacturers can implement best practices for optimizing their engineering, manufacturing and supply chain operations. As a result, AspenTech customers are better able to increase capacity, improve margins, reduce costs and become more energy efficient. To see how the world's leading process manufacturers rely on AspenTech to achieve their operational excellence goals, visit <http://www.aspentech.com>.
