

## AspenTech Named to Forbes List of the World's Most Innovative Growth Companies

July 28, 2014

*Leader in Software for Process Industries Ranked #11 Among Top Companies for 2014*

BURLINGTON, Mass.--(BUSINESS WIRE)--Jul. 28, 2014-- [Aspen Technology, Inc.](#) (NASDAQ: AZPN), a leading provider of software and services to the process industries, announced today that it has been named to *Forbes* Magazine's 2014 list of the World's Most Innovative Growth Companies. AspenTech was ranked #11 among the top 100 companies that investors expect to be innovative today and in the future.

AspenTech develops software that optimizes the design and operation of process manufacturing plants, and the management of their supply chains. AspenTech was founded in 1981 as a result of an MIT energy project and today the company's products are used by over 150,000 process and plant professionals in the world's biggest energy and chemical companies.
