**Explanation of Responses:**

1. The two reported transactions involved amendments of outstanding options that are deemed to result in the cancellation of previously reported options and the grant of replacement options. Options were originally granted on August 18, 2003 to acquire an aggregate of 298,488 shares of common stock and provided for vesting in 16 equal quarterly installments commencing on September 30, 2003. The amendments relate only to those options vesting on or after January 1, 2005.
